

ACSAT 2021 call for papers

The 7th International Conference on Advanced Computer
Science Applications and Technologies

IT, Education, and the Pandemic: Challenges & Opportunities

AUGUST

23 - 24

ONLINE/ VIRTUAL CONFERENCE

2021

The 7th International Conference on Advanced Computer Science Applications & Technologies (ACSAT 2021) is back and will be held virtually on August 23rd and 24th, 2021. Online presentations via Zoom will be made available.

ACSAT 2021 is an international conference for researchers and scholars in different areas of information technology, and the computer sciences, to discuss and share their ideas, current trends and future directions of ICT. All accepted papers will be published in SCOPUS indexed journal.

List of Topics

- Computer Theories and Algorithms
- Cloud Computing
- Computer Architecture and Embedded Systems
- Computer Graphics, Vision and Multimedia
- Computer Network and Communication
- Database Technology and Data Warehousing
- Distributed and parallel Computing
- Computer Ethics Issues
- Grid Computing and Mobile Technology
- Computer Applications in Physical Education
- Information Retrieval and Knowledge Management
- Cryptography and Information Security
- MIS
- E-Finance
- Digital Watermarking and Steganography
- Internet and Web Applications
- E-Business and E-Commerce
- Artificial Intelligence and Machine Learning
- Natural Language Processing
- Pattern Recognition and Image Processing
- Software Engineering
- Human Computer Interaction
- Computer Art and Design
- FinTech Innovation
- Blockchain and Digital Currency Security
- Big Data Analytics
- Cryptocurrencies
- E-Learning

Important Dates

Call for Paper:	1st May 2021
Deadline for Submission:	15th July 2021
Notification of Acceptance:	1st August 2021
Camera Ready:	15th August 2021
